By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails.

Step 0: Github Email Settings

Make sure your **School email** address (**case sensitive**) is added to your Github account

The screenshot displays the GitHub account settings interface. On the left, a sidebar contains navigation links: Public profile, Account, Appearance, Accessibility, Notifications, Access, Billing and plans, Emails (highlighted with a red box and labeled '2)'), Password and authentication, Sessions, SSH and GPG keys, Organizations, Enterprises, and Moderation. The main content area is titled 'Emails' and shows the primary email 'dienruei@gmail.com' with its usage details. Below this, a second email 'b10901038@ntu.edu.tw' is listed and highlighted with a red box, with a red arrow and text '4) Check if School email is added' pointing to it. At the bottom, the 'Add email address' section is highlighted with a red box, showing an input field and an 'Add' button, with a red arrow and text '3) Add School email address' pointing to it. On the right, a user profile card for 'dienruei123' is visible, with a 'Settings' link at the bottom highlighted by a red box and labeled '1)'.

Step 0: Github Email Settings

Status	Email Format	Example
NTU Students	NTU mail (with lowercase letter)	r12345678@ntu.edu.tw
non-NTU Students	Your school email registered in NTU COOL	<your_username>@mail.ntust.edu.tw

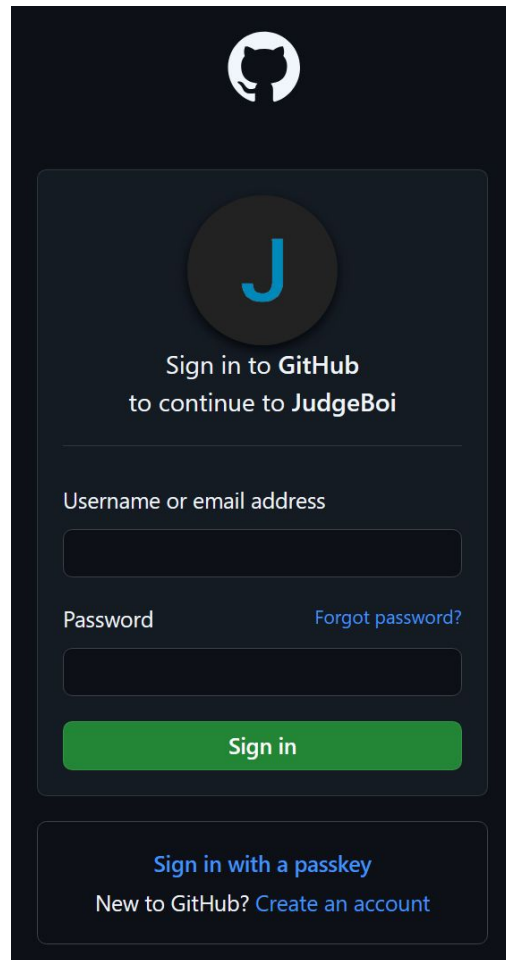

- You can double-check your School Email in NTU COOL
- **Ensure the School Email is verified**

Step 1: Register for Submission

Go to [JudgeBoi](#), and Sign in with Github

Fill in Github Username →

Fill in Github Password →

The image shows a dark-themed login interface for JudgeBoi. At the top, there is a GitHub logo. Below it, a large circular profile picture placeholder contains a blue letter 'J'. The text "Sign in to GitHub to continue to JudgeBoi" is centered. There are two input fields: "Username or email address" and "Password". A green "Sign in" button is positioned below the password field. At the bottom, there are links for "Sign in with a passkey" and "New to GitHub? Create an account".

GitHub account issues

- To login with a different GitHub account
 - You **must** logout from the Github website first
 - Then, click the logout button of the JudgeBoi website
- If you encounter problems when verifying the GitHub account with the NTU Mail, please post in the NTUCOOL [discussion](#).

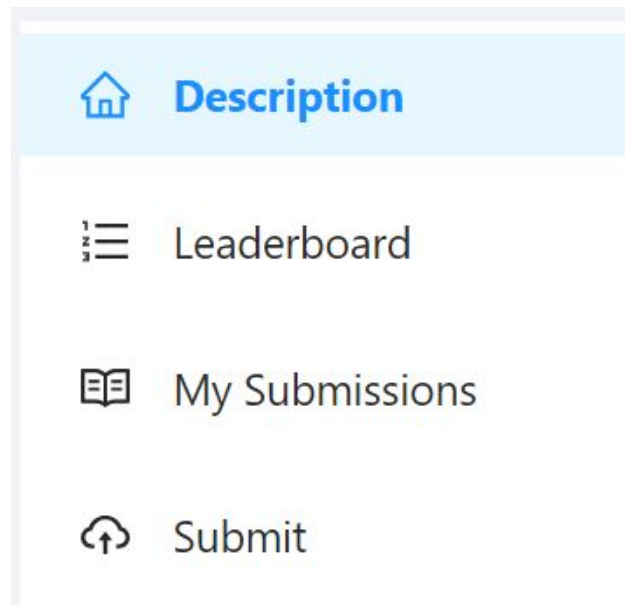

Step 3: Submit your Results

You can now submit results to JudgeBoi and view the leaderboard.

3) Check the leaderboard

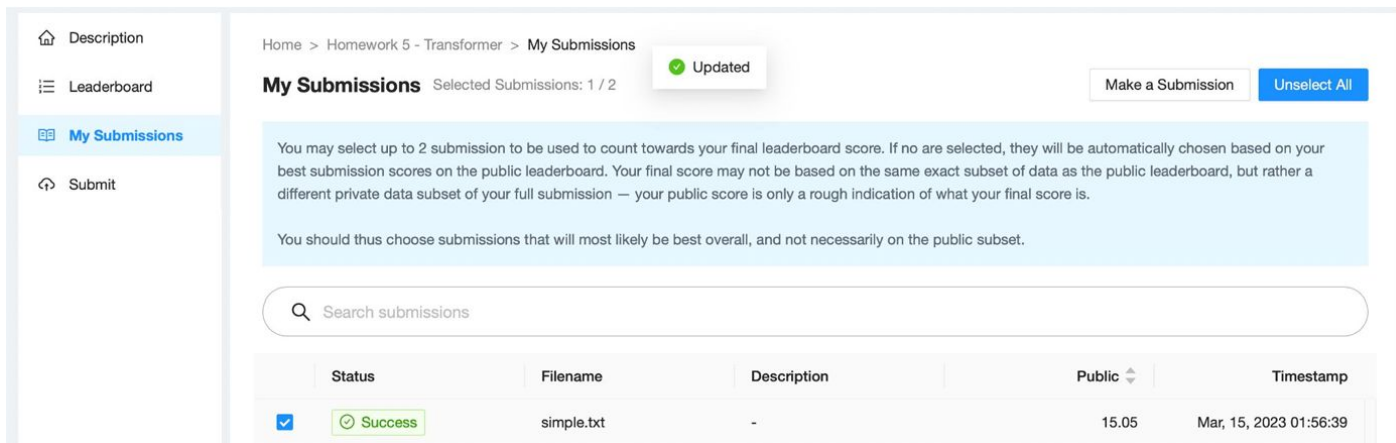

2) Select your submissions

1) Submit results

Step 4: Select your submissions

- You can select up to 2 submissions.
- If none of your submissions is chosen, we will use the submission with the best public score.
- If your selection is successful, you will see a message box as below:

The screenshot shows the 'My Submissions' page. On the left is a sidebar with links: Description, Leaderboard, My Submissions (active), and Submit. The main content area has a breadcrumb 'Home > Homework 5 - Transformer > My Submissions' and a green 'Updated' notification. There are buttons for 'Make a Submission' and 'Unselect All'. A light blue message box explains that up to 2 submissions can be selected for the final score, or the best public score will be used if none are selected. Below this is a search bar and a table of submissions.
